

April 11 & 12

Academy Days

2010

take us for a

test drive

You're invited to take a test drive of this high performance sports car and Fletcher Academy during Academy Days.

We're not kidding!! It's all part of two special days for anyone considering a distinctly Adventist boarding high school. You'll meet many new Adventist friends, participate in sporting events, visit our classes, and spend the night in our remodeled dormitories.

You can earn academic, music, and other scholarships during Academy Days that will help make it possible for you to attend Fletcher Academy. Learn about our Dual Credit classes and work opportunities that make Fletcher an excellent choice for you to consider.

Test Drive Fletcher Academy. Learn just how exhilarating great Christian education opportunities can be. We'll give you the roadmap!

Take us for a spin. If you need help with transportation, we can help. Check our website for more information or to register:

FLETCHER ACADEMY

ACADEMY DAYS - 2010

April 11, 12

FA Academy Days is open to all potential high school students that are considering a quality education at an Adventist academy. At Fletcher, your success matters to all of us. Not just your academic success and more than your physical and social development, we want to help you develop a saving, life-long relationship with Jesus. Your spiritual development is our number one goal.

Whether you come with a strong academic background or not, we want to help you grow academically, too. If you need tutoring or help in learning skills, we will help you. Through our Dual Credit program, you may enroll in college-level classes that will earn you sufficient college credits that you may enroll as a sophomore in college after graduation from Fletcher.

Work has always been an important component of Fletcher's program. With your work, your parent's help, and support from your church, we will find ways for you to afford to attend FA.

The schedule of activities for Academy Days follows. Please note that Fletcher Academy is willing to help with transportation for students/parents interested in attending. Please email Mr. Bill Bass at facareers@yahoo.com or call him at (828) 687-5103 about transportation. And please register for Academy Days on our website: fletcheracademy.com.
