

**2010 Music
Festival**

Carolina Conference

FLETCHER ACADEMY

Dear Fellow Music Teachers,

We are excited about hosting this year's annual Carolina Conference Music Festival at Fletcher Academy. As you will notice from the attached schedules, there are a few changes this year. We think that the festival has been such a wonderful success the past few years that we wanted to extend it just one more day. This year we will not only continue to have our Friday evening program, but we will also continue the programs through the Sabbath! The festival participants will be using their musical talents in the church sanctuary this year as they praise God during the worship service and during the afternoon program! What a blessing it will be to see the youth from our conference help lead out in worship in the Lord's house! So, just to be reminded again, the festival will take place from April 8-10.

With the economy the way it is, we have made great efforts to keep costs low. So, the fee for the festival will remain at \$35.00 per student. This is to cover the costs for dorm stay, clinicians, music, and all meals from the cafeteria. There is no charge for directors and chaperones.

The festival is open to all 5th-10th grade students. We encourage all instrumentalists with at least one year of experience to participate with the band or strings. All others are invited to join choir. Attached, you will find all of the necessary forms and applications to filled out and sent in by March 15, 2010.

If you would like more information concerning the festival, please be sure to contact us or check the Fletcher Academy webpage www.fletcheracademy.com. We look forward to making music together!

Sincerely,
