U.S. Passport Information

To obtain a valid U.S Passport log onto http://travel.state.gov/passport/passport_1738.html for information regarding fees, office locations, required documents. You will need 2 passport pictures which can be obtained at most Wal-mart, CVS, and Walgreen stores.

You will also need a valid copy of your birth certificate.

Students under the age of 16 are considered minors and must apply in person at a passport office with a parent and/or guardian. Please see the US Passport website for more information.

The cost of the passport process is the responsibility of the student and will not be covered through the fundraising process. The processing time for getting a passport is about 4-6 weeks.

Students who do not have a current passport must complete the process and have their new passport in hand by Oct. 31, 2009.
